

Letter from the Director

Hello Students, Parents, and Caregivers,

Welcome to the Buffalo Dream Center School of the Arts. Thank you for considering being a part of our up-and-coming arts programs.

My name is Victoria and I am the Director here. When I was four years old I took my first dance class and fell in love. I grew up always going to dance. As I got older, there were many things I did not like about the dance world.

1 - I did not feel comfortable with many of the music and costume choices.

2 - I hated all the pressure and competition that was within the studios.

3 - It took up a lot of our family's time.

When I graduated high school, I decided to go to Australia. I attended Hillsong Bible College where I studied dance and helped with their dance studio. I realized that a dance studio could be fun and family friendly. I then had a dream to return home to Buffalo and start my dream which has become Dream Center School of the Arts.

At Dream Center School of the Arts, we offer many different types of arts, not just dance.

My main goals are:

- You feel at home and welcome
- You feel like family
- You do not feel pressure
- You feel comfortable
- All the music and costume choices make you feel comfortable
- YOU AND YOUR FAMILY HAVE FUN ATTENDING THE DREAM CENTER SCHOOL OF THE ARTS!

We will have a showcase every June to show off what your child has learned that year.

Thank you again for choosing the Dream Center School of the arts.

Sincerely,

Victoria Shurr
